Upon arrival, begin your Arctic adventure with a dog sled transfer to your accommodation — an exciting and scenic introduction to the snowy wilderness of the north. The journey takes approximately 1 hour and 15 minutes, as you travel across frozen landscapes powered by eager huskies, while your luggage is transported separately by vehicle.

Upon reaching your accommodation, settle into your cold room — a beautifully crafted ice suite featuring intricate snow and ice designs. Despite the freezing surroundings, you'll be kept warm with thermal sleeping bags and access to heated facilities nearby. In the evening, savour a gourmet multi-

course dinner that showcases regional flavours from Northern Sweden, served in an intimate and memorable setting.
